APPLICANTS' SUMMARY OF PHONE INTERVIEW OF JANUARY 26, 2010

Dear Sir:

On January 26, 2010, Examiner Wong initiated a phone
25 interview for the purpose of discussing Claims 16-29.

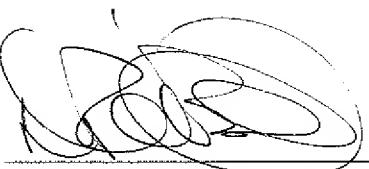

Examiner Wong proposed that Claims 16-25, 28, and 29 be allowed and that Claims 26 and 27 be cancelled by means of an examiner's amendment.

I concurred with Examiner Wong's proposal and stated my
30 understanding that cancelling Claim 26 and 27 would not preclude the client from filing a continuation application with respect to the subject matter of those claims.

The Interview was concluded with the agreement that Claims 16-25, 28, and 29 would be allowed and Claims 26 and 27 would be
35 cancelled by an examiner's amendment.

Respectfully submitted,
